You were the love
I've always dreamed of
But now I know
I walked away too soon
No matter how
Far away you are
I'll be there
High up on the moon
Shining over you
Afureru kurai kimi he kazoekirenai ai wo
Kasaneau saigetsu sasayaka na koi wo
Ame ni nure tayasanu you ni
Soko kara doregurai nagasareteiru?
You were the love
I've always dreamed of
But now I know
I walked away too soon
No matter how
Far away you are
I'll be there
High up on the moon
Shining over you
Towa ni irodoru shiki wo shinjiteita ashita wo
Kono me ni ha nido to utsuse ha shinai kara
Itsunohi mo inotteiru
Kimi he to kagayaki ga furisosogu you ni
You were the love
I've always dreamed of
But now I know
I walked away too soon
No matter how
Far away you are
I'll be there
High up on the moon
Shining over you
