Sweet Vanilla

I give myself to you

bara wo shikitsumete suteki na yumemi wo

Darling, its all for your love

me fusagitaku naru sekai no hate demo

kanashimasenai

I will show to you the stars

There's so much that you should know

I won't cause you any tears

Believe me, Believe me

Set Sweet Vanilla

I've waited here for you

amai suhada ni kisu oshiminai ai wo

Darling, it's all for your love

saa, te wo nobashite sekai ha mujyun ni

kegarete ha ite mo

I will show to you the stars

There's so much that you should know

I won't cause you any tears

Believe me, Believe me

You make me feel brand new

cause you chase the clouds away

Believe me Believe me

I will show to you the stars

There's so much that you should know

I won't cause you any tears

You've no need to fear

I will show to you the stars

There's so much that you should know

I won't cause you any tears

Believe me, Believe me
