This one goes out to all of our fans
That don't listen to those silly boybands
As long as there is time
When you're not out of line
We can masturbate all night
This one goes out to all of the bands
That we listen to when we have no plans
As long there's chance
To meet our favourite bands
That we listened to today
I would buy me a
New pair of jeans
So I could be a good example being that guy from m-
16
I would buy me a
New pair of shoes
Cause I don't wanna look like shit when I meet blink 182

This one goes out to all of the girls
That don't walk around with those rare diamond pearls
Those girls are not my kind
But those with nice behinds
Those are really who I like
I would buy me a
New pair of jeans
So I could be a good example being that guy from m-
16
I would buy me a
New pair of shoes
Cause I don't wanna look like shit when I meet blink 182

[breakdown]

I would buy me a
New pair of jeans
So I could be a good example being that guy from m-
16
I would buy me a
New pair of shoes
Cause I don't wanna look like shit when I meet blink 182
