I knew this day would come  
That Iâ€™d have to let you go  
The pain inside of me  
Is more than you would know  
Please donâ€™t leave me  
I canâ€™t stand to see you go  
Please donâ€™t leave me  
I canâ€™t face this world alone  
Come Back to Me  
Come back to me  
Please Come Back to me  
Now that youâ€™re gone from me  
I donâ€™t know what I will do

Life seems so hopeless now  
Iâ€™m nothing without you  
Come Back to Me  
Come back to me  
Please Come Back to me  
Come back  
Come Back  
Come back to me  
GUITAR SOLO  
Come Back to Me  
Come back to me  
Please Come Back to me  
Come back  
Come Back  
Come back to me
