All I needs a little reaction  
I don't want to wait  
This is more  
Than just an attraction  
You can call it fate  
Don't look away from me  
Don't be afraid of me  
CHORUS  
Come and give me all of your love  
I've been waiting  
I've been waiting for you  
Come and give me all of your love  
I've been waiting  
I've been waiting here for you  
I'll be here when you come a running  
When you're calling my name

Let me know the way  
That you're feeling  
Cause I may be feeling the same  
Don't look away from me  
Don't be afraid of me  
CHORUS  
BRIDGE  
I'm waiting here  
For you to come to me  
The time away  
Will make you see  
Do you need something new  
Cause I know I need you  
I'm waiting here for you  
Don't look away from me  
Don't be afraid of me  
CHORUS
