* Take me to your heart take me to your soul
Give me your hand and hold me
Show me what love is - be my guiding star

It's easy take me to your heart
Standing on a mountain high
Looking at the moon through a clear blue sky
I should go and see some friends
But they don't really comprehend
Don't need too much talking without saying anything
All I need is someone who makes me wanna sing
Take me to your heart take me to your soul
Give me your hand before I'm old
Show me what love is - haven't got a clue
Show me that wonders can be true
They say nothing lasts forever
We're only here today
Love is now or never
Bring me far away
