Always lived my
Always lived my life
My life

[Holly]
Yeah right, what
Let me get a refill
I can't really see straight
But I'm on my feet still

Right, what
Let me get a refill
Money in the bank
Getting drunk off of cheap thrills

[Donny]
Even though we do a lot
I'm just livin' on the rocks
7 billion other people
All we tryna do is pop
So I'm hot, I gotta be
Ain't no one as hot as me
Far as I'm concerned
I'm about to win the fucking lottery
Money on my brain ever since I was a snot nose
I'm still the same, I never change, this how it goes
Rollin' down the block
In a million dollar yacht
Screaming "We don't give a fuck"
We ain't never gonna stop

[Chorus]
Always lived my life alone
Been searching for that place called home
I know that I've been cold as ice
Ignored the dream, too many lies

Always lived my life alone
Been searching for that place called home
I know that I've been cold as ice
Ignored the dream, too many lies

Ohhhhhh

Off the cheap thrills

Dru-dru-dru-dru

Cheap thrills

Cheap thrills

[Donny]

Now ain't nobody stopping me

Look momma no hands

She told me "baby you do anything you can"

Ok, I'm getting paid to party all night

You can tell them haters that I made it

Yeah I'm alright

With a beat that will make your fucking face melt

Since I was age 12 my poppa taught me to raise hell

In this evil world, this music is my angel

I bang my head until my mother fuckin' brain swell

[Holy}

Yeah right, what

Let me get a refill

Money in the bank

Getting drunk off of cheap thrills

Right, what

Let me get a refill

I can't really see straight

But I'm on my feet still

Right, what

Let me get a refill

Money in the bank

Getting drunk off drunk

Yeah right, what

Let me get a refill

I can't really see straight

But I'm on my feet still

[Chorus]

Always lived my life alone

Been searching for that place called home

I know that I've been cold as ice

Ignored the dream, too many lies

Always lived my life alone

Been searching for that place called home

I know that I've been cold as ice

Ignored the dream, too many lies

Ohhhhhh

Off the cheap thrills
Cheap thrills

Dru-dru-dru-dru
Cheap thrills
