Oooo (x8)

You, know, I'm, young

I got a lotta passion, everytime I wake up, yeah, I'm
rockin' crazy fashion

When the beats stop for a second, we bring it back in

Cross my path, crazy. We on a map, baby

Fed through my hair and then I'm coast like Patrick
Swayze

Ho, newest for the you, ho, searchin' for the truth, ho,
Fourty-hundred thousand, ho, milleniums in countin',
ho

I found the fountain of youth, upon the highest
mountain

Oooo (x8)

Ho

Oooo, ho

Oooo, ho

Oooo, oooo

I just see the light and I'm travelin'

I really can't believe this is happenin'

When I look into the future I see the past

But I never really know if it's gonna last

We're on our way to the fountain of our youth

Ho, newst for the you, ho, searchin' for the truth, ho,
Fourty-hundred thousand, ho, milleniums in countin',
ho

(X4)

Cross my heart, and hope to die

Youth is the truth, we will survive

Here with the new, here with my crew

Out with old, listen to the youth 'cause they ain't
listenin' to you

Ho, money power and respect, you look kinda crazy
lately

I thought you knew that we're the true blue, 80's babies
The times are changin' it's amazin', follow the trail I'm
blazin'

I got the youth on my back, everytime I rap on the track

I ain't got much but I got enough to get it poppin' stick
And all you haters go ahead and get up off my dick

Oooo (x8)

Ho

Oooo, ho

Oooo, ho

Oooo, ho

Oooo, ho

Oooo, ho

Oooo, ho

Oooo, ho

(X17)
