Nintendo Power Gloves,
Locked and loaded with my finger on the trigger.
And you'll notice that a fuck is what I give a.
Click-Click-Bang,
With the zapper gun game,
If you're with it come hang,
If you're not then you're lame.
D-Duck, D-Duck Season,
Wh-What, Wh-What Heathen,
Give up for no reason?
Man, We make the party go.
Go!
Collect dimes like Super Mario.

You know I like the way you play the arcade,
You know you like the way I'm running the game,
I'm sure you're always gonna want some, always gonna
want some more.
I know you really want to beat that, really want to beat
that score.

Segatron Genesis- Call me the wizard.
I'm number one on the list.
Click-Click-Bang.
My highest score, I'm the legend of the arcade.
Speeding up your heart rate.
Beatin' like a hard game.
Wait!
Stop.
Drop it down to 8 bit.
Bouncing like Donkey Kong.
I'm going Ape Shit!

Hyper color - so you can see us Glow.
Glow, Everybody.
I want to see you go...

You Know I like the way you play the arcade,
You know you like the way I'm running the game,
I'm sure you're always gonna want some, always gonna
want some more.
I know you really want to beat that, really want to beat

that score.

I'm sure you're always gonna want some, always gonna
want some more.

I know you really want to beat that, really want to beat
that score.

I'm sure you're always gonna want some, always gonna
want some more.

I know you really want to beat that, really want to beat
that score.
