She's werkin' it  
Hot step, Murderous  
I try to be courteous  
(F\*ck you, I'm a dirty b\*tch)  
Old snap!  
That's what I'm talkin' 'bout  
Shawty gonna walk it out  
The beat goes on and on

Hey, Dj, this is my favourite song  
So people lookin' at me odd  
Puttin', werkin' is my job  
Mona Lisa at the bar  
Pinkies up, how bizzare  
Catch me workin' on my bod  
My Physique is my facade  
I'm not just another braud  
LOL Oh My God  
Oh My God  
Oh My God

Shake pop your body  
Shake, Shake  
Pop your body, What, what, what, what?

I walk in like Christopher,  
Everyone looks, so I flip the bird  
I feel so marvelous,  
Can't nobody go hard as us.  
Shake, pop your body  
Shake, shake  
Pop your body, What, What?  
She drop the top  
Just like my neon Maseratti

So, people lookin' at me odd  
Puttin', werkin' is my job

Pinkies up, how bizzare  
Catch me workin' on my bod

I'm not just another braud
