[Holly]

I'm going crazy, light it up
People be like "œwhat the fuck"
It's just the liquor on my tongue
We gotta spaceship, in the club
People be like "œwhat the fuck"
We came to tear this party up
Party up
Party up
Party up
What
We came to tear this party up
Party up
Party up
Party up
What
We came to tear this party up

[Donny]

Check, one two
This what we came to do
We came to rush the booth
And set this party loose
Turn the speakers to eleven
Cause music is a weapon
Hyper Crush is what I'm reppin'
Now everybody steppin' like
Ste ste-steppin' like
Now everybody steppin' like
Rock your body
Get loose everybody
Don't stop the party
We're bout to get it started

Go

Rock your body
Get loose everybody
Don't stop the party
We rock rock rock rock rock rock rock rock rock

[Holly " Chorus]

I'm going crazy, light it up

People be like "œwhat the fuck"
It's just the liquor on my tongue
We gotta spaceship, in the club
People be like "œwhat the fuck"
We came to tear this party up

Spaceship in the club
People be like "œwhat the fuck"
What, we came to tear this party up

[Donny]
Going back to the future
I soak 'em with my super
Bass
That's how we do it getting 'em foolish in this place
Yeah it's hard work, everyday
Party the night away
Get drunk, rock a show
Eat, then I gotta go
Spaceship in the club

[Holly]
People be like what the fuck

[Donny]
Rock your body
Get loose everybody
Don't stop the party
We 'bout to get it started

Go
Rock your body
Get loose everybody
Don't stop the party
We 'bout to get it started

[Holly]
Light it up
Light it up
Light it up
Light it up

Light it up
Light it up
Light it up
Light it up
Light it up
Light it up
Light it up
Light it up
Light it up
Light it up
Light it up
Light it up

We gotta spaceship, in the club
People be like "what the fuck"
We came to tear this party up
I'm going crazy, light it up
People be like "What the fuck"
It's just the liquor on my tongue
