Burns my eyes, the rage against the world  
There's no one, who can move my soul

[BRIDGE 1]

Until I'll be the king of the world, I'll fight  
Until I'll live my war goes on and on

Take glory with your torment  
The hero call my name  
Immortal power never die I'm raging  
To sing to all songs of immortality

[CHORUS]

My eyes full of fire  
They know the secret  
(My eyes full of fire)  
To live forever  
(My eyes full of fire)  
Dying will be better  
(My eyes full of fire)  
Than an ignominious life

My hands will become stars  
My breath like wind will ride

[BRIDGE 2]

My shout will burst the doors of  
The sky with my hymn  
I don't live for living  
I live to be the one

[CHORUS]

Sometimes I make my mistakes  
When I think that I live just for love  
Destroyed, devastated  
Will be who believes in holy God

[BRIDGE 1]

[BRIDGE 2]

[CHORUS]
