Look at the passed time  
Someone hoped  
Someone cried  
Someone died  
There's no mercy in the sky  
To scape from the past  
To forget my mistakes  
And to find  
A real reason to live

[BRIDGE]  
Victory  
In my dreams  
You've waited too much time  
To grow in mine

I'll go on my way  
What I need  
What I seek  
All I want is being second to none

[BRIDGE]

[CHORUS]  
Temple of desire  
May your walls be my kingdom  
Temple of desire  
Change my life in perpetual fire  
Temple of desire  
Temple of desire

And it's never too late  
To realize your mistakes  
And your sins  
And to lift up your head

[BRIDGE]

[CHORUS]

I'll go on my way  
What I need

What I seek  
All I want is being second to none
