It's time to open your wings  
It's time to know the absolute truth  
It's time to throw the mask away  
And fight against sorrow and fear

[CHORUS]

Inside the mirror of soul  
You'll find the reflection of your life

It's time to watch inside yourself  
And to cry for all you have made  
To see into the mirror of pain  
And you'll recover yourself

[CHORUS]

Dance with the lives of your friends  
And fly on the land of sadness  
Can you see a gleam of light  
Can you see in your mind  
The revenge of the spirit of wisdom

[CHORUS]

I believe in your force  
And I'm sure that you can  
Fight again without fear  
To destroy the selfishness in you
