"You Are The Moon"

Shadows all around you as you surface from the dark
Emerging from the gentle grip of night's unfolding
arms
Darkness, darkness everywhere, do you feel all alone?
The subtle grace of gravity, the heavy weight of stone

You don't see what you possess, a beauty calm and
clear
It floods the sky and blurs the darkness like a
chandelier
All the light that you possess is skewed by lakes and
seas
The shattered surface, so imperfect, is all that you
believe

I will bring a mirror, so silver, so exact
So precise and so pristine, a perfect pane of glass
I will set the mirror up to face the blackened sky
you will see your beauty every moment that you rise
