I Know That I Never Go Back Home  
To The Life I Had The Life That I Had Known

They Put Me On The Cover Of The magazines  
Skyline Clays And The Broken Dreams  
They Convince Me That We Would Change The World  
For Better Of Our Worst

All I Wanted Was The See The World  
But Happenings On The streets Are Mingo With The  
Cooch And Pit

Is This Now... The Life That You Wanted? You Wanted  
To Have?  
Is This Now... How You Imagine it Would Be When you

Hollywood!

They Tell Me To Dress So They Scared  
Look So Tough Like You Just don't Care  
We Package You And Put You On This Play

And Every One Get Their Car  
And We Cruise Down The Hole And Drive  
And We All Feel So Alive And Well... This Is Well... This Is  
What I'm  
Waiting For...

Is This Now... The Life That You Wanted? You Wanted

Is This Now... How You Imagine it Would Be When you  
Was Start To Livin  
Hollywood!
