Awaiting the day you die  
A journey towards the end  
It's time you pay the price  
Begging to sell your soul  
Change cape with the wind  
Pahtetic excuse for living  
Weak mind twisted brain  
The time has come to  
Hang 'em fucking high

Adrenaline reign coming  
From within - rush of power  
The face of anguish brought  
Upon the surface  
No more holding back  
Furious aggression  
Ripping at the seams  
Feel the hatred  
Terrifying screams

Crush your skull  
Pound it to dust  
There's not room for  
The two of us  
Bringer of pain  
Take your last breath  
The time has come to  
Hang 'em fucking high

Blood raining pouring  
Forth in streams  
Storm of dread  
Wide awake nightmare  
Far beyond belief  
Feeling no remorse  
Violent intensity  
Hanging from your neck  
Total insanity  
An ending in red

Pain - repulsive cries  
Forever entangled in death

Terror - In your eyes  
You have now paid your price
