...  
And i m the death  
Oooh, the death arrived  
Now it s too late  
Ready for death  
Your end ... is here  
Oooh, millions die in vain  
Time is running out  
There is no way to escape  
And you chose the pain  
?  
And bring the death  
Oooh, nothing to worry  
They say in ...  
Ready for death  
Your end line is here  
Oooh, millions die in vain  
Time is running out  
There is no way to escape  
And you chose the pain  
No escape  
?  
Death leads here  
Burn the gods  
The end is here  
Blinded  
Your end line is here  
Oooh, millions die in vain  
Time is running out  
There is no way to escape  
And you chose the pain
