Blinded were my eyes  
For not have known to see  
They taught me hatred  
Instead of understanding

But now the chains are broken  
No one will ever decide of my fate  
I'm free for the first time

"... Be carefull  
This man is armed and dangerous  
He's a serial killer, a psychopath  
Anyone that could be in contact with him  
Would be in mortal danger..."

Paralyzed  
My heart was closed behind  
The walls of solitude  
Evilized  
I can't believe these words you spoke

I trusted in you for so long  
You disappointed me so much  
Up to now I don't know what to think  
I don't know what to do

Human...  
Machine...  
Humanoid...

I'm a machine that wants to live  
I'm human  
I'm free

The evil within me is nothing less  
Than the venom you put in my veins  
The evil within me is nothing less  
Than the lies you put in my mind
