Your standing, in front of, all those hidden graves. ???  
??? ??? ???

Murdered people you what are you gonna say ??? ???  
??? ???

Darkness is falling, it's time you realize, moon eclipse  
is shown in your bloodshotted eyes.

Take their mind from them , have them give him mine.  
??? ??? ??? ???

??? ??? ??? ??? is no way to be. Pray to your lord to  
spare your soul, i hell we will be.

Darkness is falling and with so it's tortured your life.

Demons from hell will come to walk at your side.

Angels, flying thru the sky, From hell, the best day will  
cost your life.
