It's time for me  
To face my destiny  
It's time for you  
To live your life

Why do you love me?  
I've got nothing to do  
With the man you need  
Why do you love me?  
I'm a killer, I'm a hunter  
I'm a cyborg soldier

I wander: Am I human?  
A psychopath? Maybe  
Murder is in my genes  
I've got blood on my hands

Why could I love you  
As I only feel disgust  
For myself?  
I don't want to hurt you  
I haven't been programmed  
To have a normal life

Now the end is near  
Our story will end in tears  
But I don't want to rob your life

I seem to be a man  
But I'm a monster, it's clear  
You can't spend your life  
With a machine... created to kill

Hate me  
You're the one I love the most  
Please hate me  
Please give me a reason to leave
