Dreaming in eternity
? time warp
The blood is ?
Your life has just begun
?
You can make it so
Struggling for your life
My life it can't resist
? your life
? the knife

Death of holyness
Sodomized for the rituals
Agents of the blind
A realm forgotten
? the knife

Blinded by the pain
Drowning in blood
Summon the demons
Evil god
Staring through the eyes of death
When you will ?
Sacrifice the life
Gainig eternity

dreaming in eternity
? the one
The blood is ?
You never get home
The pain got twisted in your flesh
Your life ends here
? the knife

Death of holyness
Sodomized for the rituals
Agents of the blind
A realm forgotten
? the knife
