Bart:

As the silence the growing
between us seems both you and I know
The words unspoken
The questions hanging in the air now
I can't see how we're getting anywhere

Stefan:

There's a line between love
and something that we've quietly crossed
The feeling that we
both have lost I'm
not sure we can ever find again

Stefan:

I can't explain
Why love's lost it's glow
and it slipped away
How did it go
I just can't say
My heart leads the way
When tomorrow comes
I may be on my way

Bart:

The future that we
Once thought we had turned into a past
Fading fast and
We tried but couldn't make it last and
Watched it vanish
Now where standing here

Stefan:

I can't explain
Why love's lost it's glow
and it slipped away
How did it go

Bart:

I just can't say
My heart leads the way

When tomorrow comes
I may be on my way

Stefan:
What's nothing
What's something
Bart en Stefan:
What's love to you
What's life about
Stefan:
Just being
Bart:
Or feeling your soul

Bart en Stefan:
I can't explain
Why love's lost it's glow
and it slipped away
How did it go

Bart:
I just can't say
My heart leads the way
When tomorrow comes
I may be on my way
Why love's lost it's glow
and it slipped away

Bart en Stefan:
How did it go
I just can't say
My heart leads the way

Bart:
When tomorrow comes
I maybe on my way

Stefan:
What's something
Bart en Stefan:
What's love to you
What's life about
Stefan:
Just being
Bart:
Or feeling your soul

Stefan:
What's nothing
What's something
Bart en Stefan:

What's love to you
What's life about
Stefan:
Just being
Bart:
Or feeling your soul
