As the silence has growing
between us seems both you and I know
The words unspoken
The questions hanging in the air now
I can't see how we're getting anywhere

There's a line between love
and something that we've quietly crossed
The feeling that we both have lost
I'm not sure we can ever find again

Chorus.
I can't explain
Why love's lost it's glow
and it slipped away
How did it go
I just can't say
My heart leads the way
When tomorrow comes
I maybe on my way

The future that we once thought we
had turned out to a pass
Fading fast and we tried but couldn't make it last
and watched it vanish now we're standing here

Chorus.
I can't explain
Why love's lost it's glow
and it slipped away
How did it go
I just can't say
My heart leads the way
When tomorrow comes
I maybe on my way

Bridge
What's nothing
What's something
What's love to you
What's life about

Just being
Or feeling your soul

Chorus
I can't explain
Why love's lost it's glow
and it slipped away
How did it go
I just can't say
My heart leads the way
When tomorrow comes
I maybe on my way

Why love's lost it's glow
and it slipped away
How did it go
I just can't say
My heart leads the way
When tomorrow comes
I maybe on my way

Bridge
What's something
What's love to you
What's life about
What's nothing
What's something
What's love to you
What's life about
Just being
Or feeling your soul
Yeah
