"Peace Of Mind"

Looking through the tears, in a distant memory

Raising shadows above, are they haunting me?

But do they know, they hurt 'cause

When I'm lying here alone thinking about what used to
be

I don't wanna live my life alone, so unbreak these
chains that

Used to hold you and me

Chorus:

But there must be an answer,

To this broken heart of mine

I'm seeking to find

Some peace of mind

Have you ever seen the darkest side of life before

Or does that same old dream

Haunt you wherever you go

But there must be a remedy

To heal what's broken inside of me

Chorus

Just give me the answer

That I can't find

Bridge

I can't believe that there's nothing we can do

No I can't believe that there's nothing left to say

Chorus
