I woke up screaming from a nightmare  
That seemed so real  
A horrified vision of the skyline  
Covered up in steel  
I stumble outside, everything around me had changed  
I could not believe my eyes  
I stare into a world re-arranged

My heart was pounding faster  
Am I awake or still in a dream  
The vision of final disaster  
.?The vision of empty dreams?

[Chorus]

I see a dead sky dawning  
A lethal encounter of the first degree  
I see a dead sky dawning  
No mercy for you, No mercy for me  
I see a dead sky dawning  
A lethal encounter of the first degree  
It's the end for you , It's the end for me

The world is silent  
Only the life from above can be seen

..  
..

It's not of this world  
:our senses?  
Something within me tells me  
It's the end of humanity

My heart was pounding faster  
Am I awake or still in a dream  
The vision of final disaster  
?The vision of empty dreams?

[Chorus]

Released from this nightmare  
Let me wake up to find the world I knew  
But then I see the faces around me  
I realize we are the chosen few

[Chorus]
