I am the sinner and I ain' t no saint
They will take me to the electric chair (Ha ha ha)
No remorse and no regrets
For those I've sentenced to Hell

I have my demons and I have my?
Death follows me, surrounds me everywhere
They control me and give me strength
For those I've sent straight to Hell

Liar. Desire
Lying. Crying
Dying. Sighing
Dying. Lying

Four walls are all around me
By the? getting over
Soon I will taste my sin
Life will end here
Like the winter in the spring
Soon I will taste my sin
My biggest sin on deathrow

Liar. Desire
Lying. Crying
Crying. Desire
Dying. Lying

The walls are closing in
By the? is getting over
Soon I will taste my sin
Life will end here
My final days are coming
Like the winter in the spring
Soon I will taste my sin

Life is on Death Row

On Death Row
On Death Row
