[Verse 1]

Are you blind to see me?  
I think I know what you need.  
I crucify you for your disbelief.  
Buried lies that you kept  
I pull it out of your flesh  
And you will never sing again.

I am God.  
I am the only one.  
You need me.  
Put your trust in me

[Chorus]

Let the knife do the talking.  
I'm gonna set you free.  
Let the knife do the talking.  
I wanna see you bleed.

[Verse 2]

I'll give you open-heart.  
Give you pleasure.  
And you will say no.  
Just put your faith in me.  
You seek salvation.  
I am the one that you need.  
I'll bring you? Your century?

I am God.  
I am the only one.

[Chorus]

Let the knife do the talking.  
I'm gonna set you free.  
Let the knife do the talking.  
I wanna see you bleed.

[Verse 3]

So, I'm on a mission to heal the world for good.  
And some don't just stand in my way.  
Don't get in my way!  
Kill. Kill. Kill. [repeat in background]

Let the knife do the talking.  
Let the knife do the talking.

[Chorus]

Let the knife do the talking.  
I'm gonna set you free.  
Let the knife do the talking.  
I wanna see you bleed.

Let the knife do the talking.  
Just believe in me.  
Let the knife do the talking.  
I wanna see you bleed.
