Reality! my fault, as i cut you deep. My deacon knows  
as i cut you with this knife.

??? ??? ??? ??? ???

The energy! provided by the blood on the sacred knife  
thats in you

this sacrifice i give to you my lord ??? ??? ??? king of  
hell

Theres no control, a bloody gore, hanging from the  
ceiling, i cut wide open your body,

I feel a-live!!!! Their fate they decide, I release avenge  
on your mankind.

Love will float away, as i tear the body apart, Mental  
Emotions never AGAIN!!!!!!!!!!
