Conquest is my art!

Some say, in God's ear.
I'm yours 'til you find my
Noose.
Your name, brought us here.
To molest, this evil boy.

[Chorus]
Leprosy.
God's own destiny.
Their gathering.
Brought you to me!
At the altar they recently
Found you.
Running loose with hellish
Volition.
In here your soul will be
Dead.
All livings beings will rot in
Hell!
[End of chorus]

Open my veins, I will bleed
And the pressure will cease to exist
I curse thee whom I saved
Though the dead will soon be here

Wait, sacrifice my live.
With this evil unholy knife.
With the opening hand to a
God.
Fuck Jesus Christ!

Slaves of the Lie, they needed
Eyes.
Users, beggars, believe yours.
I won't deny!

Dying, for God, I'm not with
Him.
Crime, is in our... hearts.

You not reveal!

[Repeat chorus 1 time]

Sacrifice a virgin on your
Knife.

Would you be a servant, for
Satan or mankind?

Sacrificing pieces of your
Life.

I carry no grief, for Jesus
Christ!
