I reaching for the seed of death
what (I searched for) now
for the power

[Chorus]
what's getting my name
is the of death
(I'll/All time) not be forgetting?
I'll be reborn

To take within
The God will await me,
To take command
Why? Christianity

I will conquer the (fault), to rule the world
god,

on the seven glorious

[Chorus]

To take within
The God will await me,
To take command
Why? Christianity

[Chanting]
