A thousand years and now I'm back again  
To give the earth a way to live  
My bed is [unverified] just a take of the sky  
To fool you into my tribe

You will be free  
I am the devil  
I will control your mind  
So let me in

You fear my enter  
Are you creation of me  
And your patience of my [unverified]  
End is near

I am the falling angel  
You be aware  
Their escape from sacrifice  
End is here

I am the king of Satan  
I am real  
I do whatever it takes to win  
To can control your life

I show you things that you will never believe  
And every human will [unverified]

You will be free  
I am the devil  
I will control your mind  
So let me in

You fear my enter  
Are you creation of me  
And your patience of my [unverified]  
End is near

I am the falling angel  
You be aware  
Their escape from sacrifice  
End is here

I am the king of Satan  
I am real
