

Hypocrisy "Spilin' Away"

Feel everything is circumstantial
Realize the nonsense of existence
Start to put an end to this lost life
Ain't no change for the better

So I'll choose it from
(Death)
Memories been
(Blessed)
This one day

Take the tears and the pain
My soul I sell to prolong
Don't tell me

Bury the pain, as I bury the knife in my body
Slowly slipping away to another dimension
(Of virtue)

My soul is slippin' away in vain
A man greets me from the other side
"Welcome to Hell"
"Me? My name is Death"

So please forgive this heart
And these dreams that you've felt
Don't tell me

Bury the pain, as I bury the knife in my body
Slowly slipping away to another dimension
(Of virtue)

Bury the pain, as I bury the knife in my body
Slowly slipping away to another dimension
(Of virtue)

Bury the pain, as I bury the knife in my body
Slowly slipping away to another dimension
(Of virtue)

Bury the pain, as I bury the knife in my body
Slowly slipping away to another dimension

(Of virtue)
