Hey! Why don't you ever stop?
? shooting off your mouth and?
? and spitting out your bullshit
About the things you don't understand

Die! Why don't you fuckin' die or run and hide?

I ain't got the fuckin' time to hear your fuckin' lies.
You're driving me crazy
Knock it off, I'll fuck you up
And laugh at cuts I opened up
You give me no choice

Die! Why don't you fuckin' die and run and hide?
Shit. Stop your fuckin' shit
Spinning lies

I hear it's calling
Judgement Day
I feel it's calling your name

I see it's coming
Rolling in
'Cause we may never turn the page

Your face. Just hate your stupid face
Don't wanna be around you when you are near
Dig yourself six feet under
And never ever come back again

I hear it's calling
Judgement Day
I feel it's calling your name

I see it's coming
Rolling in
'Cause we may never turn the page

Do you think I care what's on your mind?
I don't wanna see your ugly face.

I got no time. I run and hide.

Turn you upside down
Don't wanna waste my time
Send you straight to death
I'm gonna put you all in hell

I hear it's calling
Judgement Day
I feel it's calling your name

I see it's coming
Rolling in
'Cause we may never turn the page
