Mukashi yo kukita kafe de ochi tsuzukenai,
Bara bara no kioku atsumete toma dou,
Mie suite uso mo ayashii honto mo,
Zenbu yurushita yurushite shimatta,

Daisukina yuu kureni dareka kamatte asonde,
Kyasha na mune hito gomi de tsuburechau,
Yana koto mo ii koto mo zenbu tsuzukeba yokatta,
Sobani kite mou ichi dou tasukete,

Omoi daseba wasurerareru atama wo yogiru anata no
koe,
Mita sarenai wakamama ni namida ga tomaranai,

Toki no nagare ga itazurana koto ni,
Ima sara nagara kitsuki hajimeteru,
Masshiroku sugite yuku akerui ichi nichi kureta,
Bonyarito karada juu taka buru,
Mangetsu mo kudake chiru hamitsuku youna yoruni wa,
Kurushikute kotoba ni wa naranai,

Omoi daseba wasurerareru atama wo yogiru anata no
koe,
Mita saranai wakamama wa uruonda koe no sen wo

Omoi de dake na zoru toyubi tsumesaki sukoshi kakete

Omoi deshite wasurerareru mono naraba,
Kitto yaku ni nareru,
Motto yakuni aeru,
Namida wa tomaranai.
