In our heart and in our minds, there is something you can't buy - compassion! and what it means to me. I wish you'd just give up! fucking give it up! I wish you'd just give up! fucking give it up! we're screaming cause it fucking hurts, our lives find meanings in these words. no way are you taking this from us. I wish you'd just give up! fucking give it up! I wish you'd just give up! fucking give it up! I hate this fascist war, don't approve what it's for. you're fucking bought and sold, why don't you fucking go? fuck you!
