Hate your indifference, hate your intolerance, makes no fucking sense and makes me sick. you represent everything that I fucking hate - fuck you! I look at you and all I see is weak suburban waste. you represent everything that I fucking hate - fuck you! don't want your kind, don't want your life, don't care what you may say. you make me hate you! you make me hate you! you make me hate you! you make me hate you! hate your ignorance hate your violence, what the fuck is wrong with you? you represent everything that I fucking hate - fuck you! I look at you and all I see is weak suburban waste. you represent everything that I fucking hate - fuck you! don't want your kind, don't want your life, don't care what you may say. you make me hate you! you make me hate you! you make me hate you! you make me hate you! I'm just sick of everything. nothing ever seems worthwhile. I'm just sick of everything. nothing ever seems worthwhile. and I'm fucking pissed!
