Get off the fucking internet, i see your goals, they're all set. gotta look tough! gotta look cool! I see you're a fucking fool. sit on the internet all fucking day, don't have anything nice to say. emo shots and posturings, what a nice quaint fake ass scene. self pity's at an all time high, shut the fuck up before you die, jocks and pretty boys make me sick, get out of the magic stick! sit on the internet all fucking day, don't have anything nice to say. emo shots and posturings, what a nice quaint fake ass fucking scene. you're out, you're out, you're out, fucking shut out!
