I guess I'm really not that smart
'Cause if I was, I would have seen it all from the start
You kept repeating, "I'm in love"
You just never said that it's not me you were thinking of
But now you're gone and I feel bad
'Cause you didn't care about me

Love is something we never had
'Cause you never cared about me
And there's a lesson that I've learned
Play with fire and you'll get burned

I guess, I'm really not that bright
'Cause if I was I would have seen you'd changes
overnight
You came to me all nice and sweet
And I was dumb enough to throw myself at your feet
But now you're gone I feel betrayed
'Cause you didn't care about me

Thinking of all the games you played
'Cause you never cared about me
And you'll get burned like I got burned
I guess, I'm really not that smart
'Cause if I was I would have seen it all from the start

And now you're gone and I feel relieved
'Cause you didn't care about me
I can't believe I ever grieved
'Cause you never cared about me
