Maybe today i will finally find,
the handful of words that bring peace of mind.
'Cause yesterday left me with nothing at all,
I can't change a thing i'm feeling so small.

But as i'm waiting,
(i'm waiting) my chances are passing me by.
And as i'm waiting,
i'm losing the spirit to get up and try.
Another day ends,
and i sit around by myself thinking "life doesn't
rhyme."
Maybe tommorrow won't be here in time.

Maybe today they are finnaly said,
the handful of words that will clean my head.
'Cuz yesterday left me with nothing at all.
I don't know a thing,
I'm feeling so small.

But as i'm waiting,
(i'm waiting) my chances are passing me by.
And as i'm waiting,
i'm losing the spirit to get up and try.
Another day ends,
and i sit around by myself thinking "life doesn't
rhyme."
Maybe tommorrow won't be here in time.

But i'm still waiting.
Yeah i'm still waiting.
Do you know i'm still waiting all this time?
