Sweetness  
Forget yourself  
I said sweetness  
I do little else  
Where I sleep at night  
The creatures crawl  
And I get caught up in a one man brawl  
With me

Sweetness  
Alone in yourself  
sweetness  
You can't leave by yourself  
The free may fight and the fair may fall  
But they're all caught up in a one man brawl  
With me

Sweetness  
Forget yourself  
I said sweetness  
I do little else  
Where I sleep at night  
The creatures crawl  
And I'm all caught up in a one man brawl  
With me

Miles, miles of empty space

Miles, miles of empty space  
Do you want to come  
Miles and miles of empty space  
Know which way to fall  
Caught in a one man brawl  
Sweetness  
Sweetness  
Sweetness
