Stop taking photographs, your brittle heart'll never
bleed
Took your big head to succeed, it hasn't been a million
laughs
So stop taking polaroids, of all the things that you
avoid
There are no lessons in your path, so stop taking
photographs

The naked lights revealed you, shattered and then
sealed you in your dreams
and this loneliness has stripped you, unbuttoned and
unzipped you til ya fell
apart at the seems

Stop taking photographs, your brittle heart'll never
bleed
It took your big head to succeed, it hasn't been a
million laughs
So stop taking polaroids, of all the things that you
avoid
There are no lessons in your path, so stop taking
photographs

and the naked lights revealed you, shattered and then
sealed you in your dreams
and this loneliness has stripped you, unbuttoned and
unzipped you til ya fell
apart at the seems

So stop taking photographs, your brittle heart'll never
bleed
