You say you want a revolution  
Well, you know we all want to change the world  
You tell me that it's evolution  
Well, you know we all want to change the world

When you talk about destruction  
Don't you know that you can count me out, yeah

You know it's gonna be all right  
All right, all right

You say you got a real solution  
Well, you know we'd all love to see the plan  
You ask me for a contribution  
Well, you know we're doing what we can

If you want money for people with minds that hate  
All I can tell is brother you have to wait

You know it's gonna be all right  
All right, all right

You say you'll change the constitution  
Well, you know we all want to change your head  
You tell me it's the institution  
Well, you know you better free you mind instead

If you go carrying pictures of Chairman Mao  
You ain't going to make it with anyone anyhow

You know it's gonna be all right  
All right, all right  
You know it's gonna be all right  
All right, all right  
You know it's gonna be all right  
All right, all right
