And if you're hurting,
I will replace the noise with silence instead,
Flushing out your head.

If you like it violent,
We can play rough and tumble, fall into bed,
And I won't breathe so you can recover.

When you're in pieces,
Just follow the echo of my voice, it's okay,
Tune into that frequency.

Don't fight your reflex,
Embrace the instinct, you can feel your way,
Through the bed, and weak face in the end.

'Cause it breaks my heart,
If we live this way.
I know people need love,
'Cause them people never play the game,
And we talk the talk,
We communicate,
And them people need love,
'Cause those people never play the game.

Pleasure for pleasure,
It's ease is consequence enough for a fall,
But I know you love to take the risk.

The past is weakness,
Don't beg the question when the answer is war,
There are moments when I'm overcome.

'Cause it breaks my heart,
If we live this way.
I know people need love,
'Cause them people never play the game,
And we talk the talk,
We communicate,
And them people need love,
'Cause those people never play the game.

And it breaks my heart
And it breaks my heart
In love!
