I know this pretty Rave Girl
Always thinkin' 'bout her
And when she says hi to me
Butterflys go right through me
And when I see her dancin'
Wanna take a chance in
Getting a little closer
And maybe get to know her

I know this pretty Rave Girl
Always thinkin' 'bout her
And when she says hi to me
Butterflys go right through me
And when I see her dancin'
Wanna take a chance in
Getting a little closer
And maybe get to know her
