[Verse:]

I know ,it's so hard but what can i do? ,what can u do ?  
Yeah this isn't believable that nobody can understand  
u!

They insult your creeds  
And u must be cool and silent  
But why ?  
They cut off your memoirs  
They burn your favorite things  
But why ?  
Everyday....

[chorus:]

Warning that u must be good boy, good girl [God You  
know, I'm Not Bad]  
Yellin' and sayin' that u are same with others [i haven't  
power to say]  
This place called home  
But this is like hell  
God ,just You know i have difference  
But Yellin' and sayin' that u are same with others  
Ooh shit - i'm sure that i'm not like them,  
U?  
Yeah-Me  
I don't wanna be a perfect Boy  
(chuckle)maybe

And u say to god help me now!(now)

[chorus:]

Warning that u must be good boy, good girl [God You
