Iâ€™ve been known to put the past behind me  
And save my problems for the weekdays  
It feel just like how Iâ€™ve always wanted it to be  
We gotta make it out, gotta figure it out  
Gotta push it away, Iâ€™ll tell you right now  
Weâ€™re paving the way, weâ€™re crossing the line  
Weâ€™re moving away, weâ€™re moving along

I got a one way ticket for a two way trip  
Just my luck itâ€™s so obvious  
Another night caught in the slow lane  
Iâ€™ll make a wish wish on the first star that I see  
If Iâ€™m lucky maybe youâ€™ll be with me  
I wanna let you know that youâ€™re my best friend  
My best friend and she said

This isnâ€™t enough to make me stay  
I know this could hurt you in the worst way  
But youâ€™re just a boy with no sign of direction

So I said, youâ€™ve gotta be kidding me  
The last thing I need is the one that I need  
I never told you to sell your soul  
You can leave whenever you want to

I canâ€™t wait, wait another day  
To say the things that I want to say

I canâ€™t wait, wait another day  
To say the things that I want to say

I got a one way ticket for a two way trip  
Just my luck itâ€™s so obvious  
Another night caught in the slow lane  
Iâ€™ll make a wish wish on the first star that I see  
If Iâ€™m lucky maybe youâ€™ll be with me  
I wanna let you know that youâ€™re my best friend

Itâ€™s a long way home from this road  
From this road, from this road

Itâ€™s a long way home from this road

From this road
