Ugh,
I'm ready for it,
It's like that

Verse 1

Man I waS born to do it, street vocabulary fluent
Coming thru ya block turning every building into a ruin
Commitin murder on the government scale
Those who witness the shit turn pale,
Hungry for more (ugh)
Headed to the downtown plaza
The mayor is hidin his lil kids in the closet
They sendin helicopters I shoot them down
I have the whole town as my stomping grounds, WHAT?
I bully internationally, reppin my set
Bringin the aura of where I'm from to where I'm at
Gotcha tuckin ya chain, runnin in fear
My actions shift the alert level to severe

Hook

I'm ready for it, movin only forward
It's I to the diggidy diggidy d can't ignore it UGH
I'm ready for it, movin only forward
It's I to the diggidy diggidy d

Verse 2

I brake prisoners, out of the correctional facilities
N now my army deeper we combine our abilities
We took control over the nuclear plants
While the national guards ran off shittin they pants
Mi-li-ta-ray supply depots
Been robbed of all the guns plenty dead po-pos
In the streets rot smelly rats eat they flesh
Most of the citizens have been relocated 2 the
bombshells
Motherfuck the corporations they gone
My ruffnecks buried the fat king under his throne
N if I call your name your celly is outta coverage
Your punk ass ran out of courage, WHAT?
