I've never been the type to walk away
I've never been the type to time waste
I've never been the type to settle for my lighted life
I'm always trying to find a better day

I've never been the one to let it go
I've never been the one for moving slow
I've never been the one who stops for loving that bright
light
I'm always trying to find somewhere to go

Cause I'm a climber, a riser, I wanna fly higher
I'm All Of The Above
I'm a tryer, a fighter, a steady qualifier
I just can't get enough
I won't stop, I can't stop
I won't stop till I know I'm alright

Even when my life's a shade of grey
Even when I'm out of words to say
Even when I'm down and out and lost my solid ground
I know I'll always make it through the rain

Cause I'm a climber, a riser, I wanna fly higher
I'm All Of The Above
I'm a tryer, a fighter, a steady qualifier
I just can't get enough
I won't stop, I can't stop
I won't stop till I know I'm alright

Whatever ups and down I have to go through
I'll still remain the same
So many hearts instead I had to see through
I'm loving every day
Cause I'm a climber, a riser, I wanna fly higher

I'm All Of The Above
I'm a tryer, a fighter, a steady qualifier
I just can't get enough
I won't stop, I can't stop
I won't stop till I know I'm alright
