Jay:

Back Off, get outta my face
Cause I don't wanna have to stop it
And tell you why.
Just leave me alone.
Shut up, keep it down I don't wanna hear.
I only wish that I could make you all disappear.
Just leave me alone
'Cause I

I don't care what you say.
So go home you're not welcome here today.
I don't want to hurt your feelings
But back off 'cause I'm doing it my way.
There's nothing left for me to do,
So go home 'cause I'm sick and tired of you.
I know that you've got your reasons
But back off 'cause I'm doing it my way.
But back off 'cause I'm doing... my way.

It's out of hand, why can't you see?
I'm trying to tell you but you're mking it hard for me.
Just leave it alone.
Get lost, cut it out and let me be.
There's no excuses for the way that you're pushing me
Just leave it alone. Cause I

I don't care what you say.
So go home you're not welcome here today.
I don't want to hurt your feelings
But back off 'cause I'm doing it my way.
There's nothing left for me to do,
So go home 'cause I'm sick and tired of you.
I know that you've got your reasons
But back off 'cause I'm doing it my way.
But back off 'cause I'm doing... my way.
